

About CCN

Christian Collegian Network (CCN) is more than just an on-campus Christian club. CCN trains up *soul winning leaders*. Located on various campuses throughout the US, CCN Campus Leaders teach students the Word of God, apologetics (defense of the faith), how to share their faith biblically and boldly, and how to use their individual gifts, talents and abilities for God. Each CCN member is trained to be a soul winning leader and begin to serve the Lord now. CCN incorporates:

- Weekly On-Campus Bible Study
- Praise and Worship
- Evangelism and Apologetics Training
- Weekly On/Off Campus Outreach
- Discipleship
- Godly Fellowship

CCN also hosts men/women retreats, mission trips, special events, free Evangelism Crash Courses for churches, and much more all for God's glory.

CCN is "passing the torch of biblical evangelism and discipleship on to the next generation of soul winning Christians."

The Mission is to Boldly Share the Gospel

CCN is devoted to evangelizing the lost and discipleship of he found. CCN teaches and encourages the college student to share the biblical gospel boldly with their peers and to use their God given gifts, talents and abilities for the glory of God. CCN trains the students up in the Word of God and to have a Biblical World view.

Above is a CCN member open air preaching to other students and people passing by.

Outreaches feature public worship, spoken word, praise dancing, rapping, use of apologetics, signs, and trivia to draw crowds to hear the preaching of the gospel. CCN uses tracts and 1-2-1 witnessing to effectively share the gospel with students on the campuses and with non-Christians on and off campuses.

What is CCN

CCN is a non-profit ministry that trains up biblical soul winners for the future of the Body of Christ. We encourage students to use their talents and abilities to serve the body of Christ. Our Goal is to encourage the students to find their talents and use them to expand the Kingdom. We are preparing the students to serve the Church in the future.

CCN effectively prepares and encourages students to speak to atheists, agnostics, and individuals of other religious backgrounds, while rooting them in their Christian faith. We engage the students by:

- Sharing the gospel one on one with college students
- Disciple new believers in the faith and teach the foundational truths of God
- Disciple students by investing time into them to help them develop their gifts, talents, and abilities to fulfill God's call on their life and help bring others into the Kingdom
- Teach students how to share and defend their faith (i.e. how to answer atheists and people committed to a false religions)
- Provide students a Spring Break Campus Mission Tour (CMT) mission trip and Repent and Witness Evangelism Camp
